2024 Record Numbers

Setting Records...again!

M.O.M.S. is once again setting records. We saw a 72% increase in the number of visits and a 78% increase in the amount of food distributed from 2023 to 2024. We are expecting another record year in 2025 based on the number of new families who have already signed up in January and the number of inquiries we have received. Please keep M.O.M.S. in your prayers as we prepare for another record year in 2025.

Thank You Monthly Donors!

We would like to extend a heartfelt thank you to all of the churches, businesses, and individuals who give us support each and every month. This support is vital as it helps us plan for our monthly expenses. If you would like to become a monthly donor, please see the donate options at the bottom of this newsletter. Please note that there are no paid positions at M.O.M.S. We are 100% volunteer run so that donations can go directly to food for our clients. Thank you!

We ♥ Our Volunteers!

To become a volunteer, please contact our volunteer coordinator, Cathy Hill, at (918) 636-2248

Volunteers at M.O.M.S. hold a variety of positions. For distribution days, we have greeters, hosts and hostesses, personal shoppers, baggers, shelf attendants, porters, outgoing weight recorders, client flow manager, and even volunteers whose job is to sit with the clients who look lonely and visit with them. We have a shopping team who purchases all the food and a volunteer coordinator who keeps the positions filled. M.O.M.S. is truly blessed!

Schedule a Tour

We invite you to set up a tour of M.O.M.S. for your group this year. Once people see first hand how M.O.M.S. works, they realize what a unique food pantry we are and the see more clearly the depth of love and dignity we impart to each and every client. We are happy to schedule a private tour for your group to learn more about M.O.M.S.

Please call 918-935-8617 to schedule a private tour for your group.

New Nursing Nook

Due to the increase in the number of clients with new babies, we created a Nursing Nook so that these moms would have a safe place to nurse their baby while waiting their turn to shop. Additionally, funds were provided to install a diaper changing station in the restroom. We are so grateful to those who helped make this effort possible!

"MOMS keeps me from doing without food. The volunteers make me feel special and not embarrassed."
