News from M.O.M.S.

Summer 2025

Summer Summary

This summer had been busy at MOMS! Compared to the summer of 2024, MOMS saw considerable increases in the number of clients served which, of course, affected the pounds of food distributed. Due to the sharply rising cost of groceries and the increase in clients coming for assistance, we have already spent 70% of our food budget through the end of August, and we haven't even reached the holiday season where a large portion of our budget is allocated to. We ask that you prayerfully consider helping us help the least of these so that we don't have to make cuts in the amount of food we provide each family or have to turn families away.

The Heart Strings

Preaching the word of God does not always have to be verbal. Often, our actions are better sermons than words. This past month, a young mother let "Mom" know that she had found Jesus because of the way she has been loved and cared for at MOMS. Finding Jesus as her savior caused her to re-evaluate her life. She made some major changes including getting married instead of living with her boyfriend and admitting to past mistakes. We welcomed this child of God into our hearts the first time she came to MOMS for assistance, and now we welcome her as a sister in Christ! Keep loving and serving those in need, even if they don't know Jesus. They are all children of God and need us to help light the path with our actions, our love, and our prayers.

Pray for the Children

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14).

Without essential nutrients, children cannot grow and develop properly and are at higher risk of health problems and learning challenges. Parents and caregivers feel discouraged and hopeless when they can't provide these basic nutrients that help their children develop mentally, physically, and spiritually. The number of children coming to MOMS continues to increase. Please pray for these little ones and their parents.

*What does the Mission mean to me? EVERYTHING...
They have gone above & beyond more than once for me.*
