Our volunteers are the change-makers, bringing hope to those who need it most! If you would like to volunteer, please contact our volunteer coordinator, Cathy Hill, at (918) 636-2248.

One of our wonderful donors has made it possible for the children to have a fun-filled space to enjoy while their parents shop, creating a truly uplifting shopping experience for all!

M.O.M.S. is a beacon of hope, offering an inspiring experience where families can select the food they need and will eat (they are never given a box of preselected food) and are greeted with a warm and welcoming environment that ministers to their spirits and nourishes their souls.
