News from M.O.M.S.

Spring Review 2026

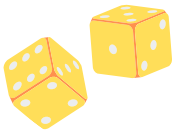

Spring Summary

2026 has already seen 26 new families coming to M.O.M.S. for food assistance. That equals 78 new individuals who began receiving vital nutrition since January 1, 2026. Many of these individuals are school aged children and younger. Children are especially vulnerable to food scarcity issues due to their rapidly growing bodies. We are grateful to be able to help these children have the food they need to grow and develop into our future community members.

Donor Spotlight!

Feathers & Faith Farm Stand in Collinsville has become an important member of the M.O.M.S. Donor Family. Kayla, the owner of this stand, makes wonderful artisan bread products, pies, cookies, and other delicious treats that make you want to come back again and again. Kayla gives 100% of her proceeds to M.O.M.S. as her way of helping those who struggle with food insecurities. Please visit her farm stand often this summer and fall and purchase some of the best treats around to help support M.O.M.S.' mission to feed those neighbors who are in food crisis situations. You can find her farm stand at 19407 E. 126th St. N. in Collinsville. Please follow her page on Facebook. Thank you and happy eating!

The Heart Strings

Single parents who come to M.O.M.S. for food assistance are super special to us. Co-Director, Melissa, knows first hand how hard it is to raise children alone especially when food availability is limited. When we encounter single parents, especially those with multiple children, our hearts go out to them, and we give them extra love and attention. Sometimes, all they need is a hug and affirmation that they are doing a great job in such a difficult situation. Other times, they need a little more food assistance than what is typically provided, which we happily give to them. Sometimes, a special gift, such as some nice hand lotion or body wash, goes a long way in letting them know that we think they are amazing parents!

Pray for Single Parents

"Cast all your anxiety on him because he cares for you." (1 Peter 5:7)

Please pray for all of the single parents who visit M.O.M.S. each month. Many of them are anxious not knowing if they will have enough food for their children. We can all help them feel less anxious by not only praying for them, but also by giving generously so that no single parent has to worry about having food on their tables. May the Lord bless these single parents and bless you as well!
